## Conservation Week

**MON 18, TUES 19 & THURS 21 MAY 2015**

The Namibia Nature Foundation (NNF) will be holding a Conservation Week at the FNCC, centred on an exhibition of well known South African bird artist Graeme Arnott.

The Namibia Nature Foundation was founded over 25 years ago and is Namibia's leading conservation and sustainable development organisation. The week's activities will be officially opened by H.E. Anne Saloranta, the Finnish Ambassador to Namibia, and will bring business and NGOs together around the theme "Partnering for a Green Economy".

### Exhibition Opening

**Monday 18<sup>th</sup> May – 18h30**

- Opening of the Art Exhibition – original bird art prepared for Namibia by well known bird artist, Graeme Arnott.
- Exhibition runs until 22 May.

### Talk: Save the Rhino Trust & Auction

**Tuesday 19<sup>th</sup> May – 18h30**

- Talks by Save the Rhino Trust and Ministry of Environment & Tourism, followed by a debate on whether commercial trade in rhino horn would be good for rhino conservation.
- Auction of artwork - proceeds to go to rhino conservation.

### Talk: Red Data Book on Birds & Auction

**Thursday 21<sup>st</sup> May – 18h30**

- Honourable Minister of Environment and Tourism Hon. Pohamba Shifeta will officiate.
- Talk on endangered seabirds and food supply (Jessica Kemper), Talk on endangered scavengers & poisons (Peter Bridgeford), Talk on endangered wetland birds & habitat degradation (Holger Kolberg), Talk on endangered cursorial birds and powerlines (John Pallett).
- Launch of Namibia's Red Data Book on birds.
- Auction of artwork.
